189 Prouty Drive  
Newport, VT 05855

North Country Hospital is a non-profit, acute care, community hospital, serving 20 communities in a two-county area in the rural northeast Kingdom of Vermont. In addition to a population base of over 27,000 residents, and with easy access to lakes, mountains, recreation and an international border, North Country Hospital also provides care to many area visitors throughout the year. The Hospital is governed by a Board of Trustees, composed of community members who volunteer their time to fulfill this vital role. North Country Hospital is a member of the American Hospital Association as well as the Vermont Association of Hospitals and Healthcare Systems. It is licensed by the State of Vermont Department of Health and Human Services as a provider under the Medicare program. It is also an accredited critical access hospital by the US Center for Medicare and Medicaid Services, which assures that the hospital meets the highest standards of medical care. North Country Hospital provides cost-effective care to all people regardless of race, color, creed, national origin or ability to pay. The hospital has a further commitment to community partnerships and to encourage, educate and assist members of the community in the maintenance and improvement of their own health. Founded in 1919 by a group of area citizens, the Hospital celebrated its 100<sup>th</sup> birthday in 2019.
