

# How to Conduct the Lucira Check It COVID-19 Test

**STEP 1.** Obtain the test from the testing site.

**STEP 2.** Review all instructions associated with the test.

**STEP 3.** Conduct the test off-site and wait 30 minutes for your results.

**STEP 4.** Report results at [healthvermont.gov/reportresults](https://healthvermont.gov/reportresults) and complete the short form.

**It's important to report your test results.  
Your response is confidential.**

**STEP 5.** If proof of your test results is required, text the word 'LUCI' to 44544 and follow further instructions.

The Lucira Check It COVID-19 Test comes with 2 AA batteries. Please consider repurposing or recycling these batteries in accordance with local solid waste authority guidelines after use.

**For translated testing instructions and instructional videos,** please visit [healthvermont.gov/covid-19/testing](https://healthvermont.gov/covid-19/testing)

# FAQs

## **What type of test is Lucira Check It COVID-19 Test?**

LAMP is a type of molecular amplification that is used in the Lucira test. Just like PCR lab tests, the Lucira test amplifies the SARS-CoV-2 virus's genetic material while the test is running. The amplification that occurs in PCR and the Lucira test allows molecular tests to detect positive samples. As a result, Lucira's accuracy is comparable to one of the highest sensitivity lab PCR tests.

## **How does Lucira Check It COVID-19 Test compare to the PCR Test?**

Molecular tests, such as PCR and Lucira's test, copy the virus's genetic material over and over while the test is running in a process called amplification. This allows molecular tests to detect whether someone is positive for the SARS-CoV-2 virus when only a small amount of virus is present.

## **What is LUCI Pass?**

LUCI Pass is a Lucira product to make it easy for you to receive a free, digitally verified, Lucira test result on your smartphone. After taking our test, you simply **text "LUCI" to 44544** or go to **luci.lucirahealth.com** from your phone to access our secure LUCI portal, and then you follow a few steps to submit your result.

## **What if my test results are positive?**

If you test positive, be sure to report your results via the link on the other side of this card. For additional guidance, please visit **healthvermont.gov/covid19positive**
