REQUEST FOR RELIEF FROM CONDITIONS

Petitioner Rajvinder Khela, MD entered into a non-disciplinary stipulation and agreement for conditions of reentry to the practice of medicine, which was approved by the Board's Order of October 5, 2011. Petitioner Khela now requests that the conditions imposed by that Order be removed, and that he be granted a full and unrestricted license to practice medicine. Finding that Petitioner Khela has complied with all the conditions and met the requirements for removal of those conditions, his request is approved, the conditions are removed, and he is granted a full and unrestricted license effective the date of this Order.
