Docket No.: MPC 76-1100

NOTICE TO PATIENTS

On April 1, 2009, the Vermont Board of Medical Practice entered an order of Summary Suspension of the Vermont medical license of Mitchell R. Miller, M.D. The Board's order of Suspension will continue until further order of the Board of Medical Practice. The effect of this order is that Dr. Miller will be **not** be able to provide medical care for patients or prescribe medications for patients until this matter has been resolved before the Board of Medical Practice. Patients should expect that it is likely that there will be at least some interruption of any medical care and prescribing that Dr. Miller has been providing to them.

Patients seeking copies of their medical records should contact Dr. Miller directly at his office. Patients also may wish to ask Dr. Miller to suggest area physicians who might be able to assume their medical care on an interim basis. Dr. Miller also may be willing to actively assist his patients in obtaining interim care from other area doctors.

Patients experiencing urgent medical needs should seek care at the nearest hospital emergency department, without delay.

Patients seeking information regarding area physicians, also may wish to consult the physician profiles that are available through the website of the Vermont Board of Medical Practice at http://healthvermont.gov/hc/med_board/bmp.aspx. Other sources of information regarding physicians in the local area include Yellow Pages directories and the internet. Internet access is available at many local libraries.

Patients who are experiencing pain requiring treatment may wish to contact the following treatment resources:
