

If you are a regular user of the Immunization Registry, we may be able to help your practice complete the reporting required for the National Committee for Quality Assurance (NCQA) Survey. To request the following report [comparing your practice vaccine coverage rates with state rates], contact Bridget Ahrens, Immunization Registry Manager at (802) 951-4094, or by email at IMR@ahs.state.vt.us.

YOUR PRACTICE Data Request --SAMPLE

definitions 4:3:1:3:3:1 is ACIP recommended childhood vaccination schedule. It includes 4 doses DtaP, 3 doses Polio, 1 dose MMR, 3 doses Hib, 3 doses HepB, and 1 dose Varicella.

4:3:1:3:3:1:4 is the ACIP amended recommended vaccination schedule. It includes 4 doses DtaP, 3 doses Polio, 1 dose MMR, 3 doses Hib, 3 doses HepB, 1 dose Varicella, and 4 doses Pneumococcal vaccine.

key green indicates 3% or more higher than state level
red indicates 3% or more lower than state level

Measures from CDC Report	Description	Your Practice	% of Total	State of VT	% of Total
AgeGroup = 19 to 35 month olds as of 12/31/10
