

§ 1354. UNPROFESSIONAL CONDUCT

(a) The board shall find that any one of the following, or any combination of the following, whether or not the conduct at issue was committed within or outside the state, constitutes unprofessional conduct:

(1) ~~fraudulent fraud or deceptive procuring or use of a license~~
misrepresentation in applying for or procuring a medical license or in connection with applying for or procuring periodic renewal of a medical license;

* * *

(5) ~~addiction to narcotics, habitual drunkenness or rendering professional services to a patient if the physician is intoxicated or under the influence of drugs~~
excessive use or abuse of drugs, alcohol, or other substances that impair the licensee's ability to practice medicine;

* * *

(15) practicing medicine with a physician who is not legally practicing within the state, or aiding or abetting such physician in the practice of medicine; except that it shall be legal to practice in an accredited preceptorship or residency training program or pursuant to section 1313 of this title;

* * *

(23) revocation of a license to practice medicine or surgery in another jurisdiction on one or more of the grounds specified in ~~subdivisions (1)-(25)~~ of this section;

* * *

(30) conviction of a crime related to the practice of the profession or conviction of a felony, whether or not related to the practice of the profession, or failure to report to the board a conviction of any crime related to the practice of the profession or any felony in any court within 30 days of the conviction;

* * *

(32) use of the services of a radiologist assistant by a radiologist in a manner that is inconsistent with the provisions of chapter 52 of this title;

(33)(A) providing, prescribing, dispensing or furnishing medical services or prescription medication or prescription-only devices to a person in response to any communication transmitted or received by computer or other electronic means, when the licensee fails to take the following actions to establish and maintain a proper physician-patient relationship:

(i) a reasonable effort to verify that the person requesting medication is in fact the patient, and is in fact who the person claims to be;

(ii) establishment of documented diagnosis through the use of accepted medical practices; and

(iii) maintenance of a current medical record.

(B) For the purposes of this subdivision (33), an electronic, on-line, or telephonic evaluation by questionnaire is inadequate for the initial evaluation of the patient.

(C) The following would not be in violation of this subdivision (33) if transmitted or received by computer or other electronic means:

(i) initial admission orders for newly hospitalized patients;

(ii) prescribing for a patient of another physician for whom the prescriber has taken the call;

(iii) prescribing for a patient examined by a licensed advanced practice registered nurse, physician assistant, or other advanced practitioner authorized by law and supported by the physician;

(iv) continuing medication on a short-term basis for a new patient, prior to the patient's first appointment; or

(v) emergency situations where life or health of the patient is in imminent danger;

(34) failure to provide to the board such information it may reasonably request in furtherance of its statutory duties. The patient privilege set forth in 12 V.S.A. § 1612 shall not bar the licensee's obligations under this subsection (a) and no confidentiality agreement entered into in concluding a settlement of a malpractice claim shall exempt the licensee from fulfilling his or her obligations under this subdivision;

(35) disruptive behavior which involves interaction with physicians, hospital personnel, office staff, patients, or support persons of the patient or others that interferes with patient care or could reasonably be expected to adversely affect the quality of care rendered to a patient;

(36) commission of any sexual misconduct which exploits the physician-patient relationship, including sexual contact with a patient, surrogates, or key third parties;

(37) prescribing, selling, administering, distributing, ordering, or dispensing any drug legally classified as a controlled substance for the licensee's own use or to an immediate family member as defined by rule;

(38) signing a blank or undated prescription form;

(39) use of the services of a physician assistant by a physician in a manner which is inconsistent with the provisions of chapter 31 of this title.
