

Vermont WIC MIS *Change is coming!*

Vermont WIC MIS/EBT Implementation Project
August 2013

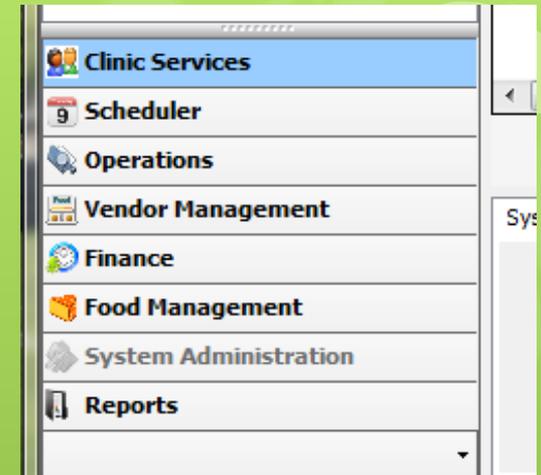

Demo #4 – Reports Available in the Ceres MIS

Reporting made easy!

- The Ceres MIS has numerous reports “built in” to the system
- District Office staff will have access to most reports directly
- Access levels will be assigned by job duties
- Reports are organized by:
 - Clinic Services
 - Finance
 - Operations
 - System Administration
 - Scheduler
 - Vendor Management

Clinic Services Reports

- “Reports” is a main menu item, always available on the left side of your screen

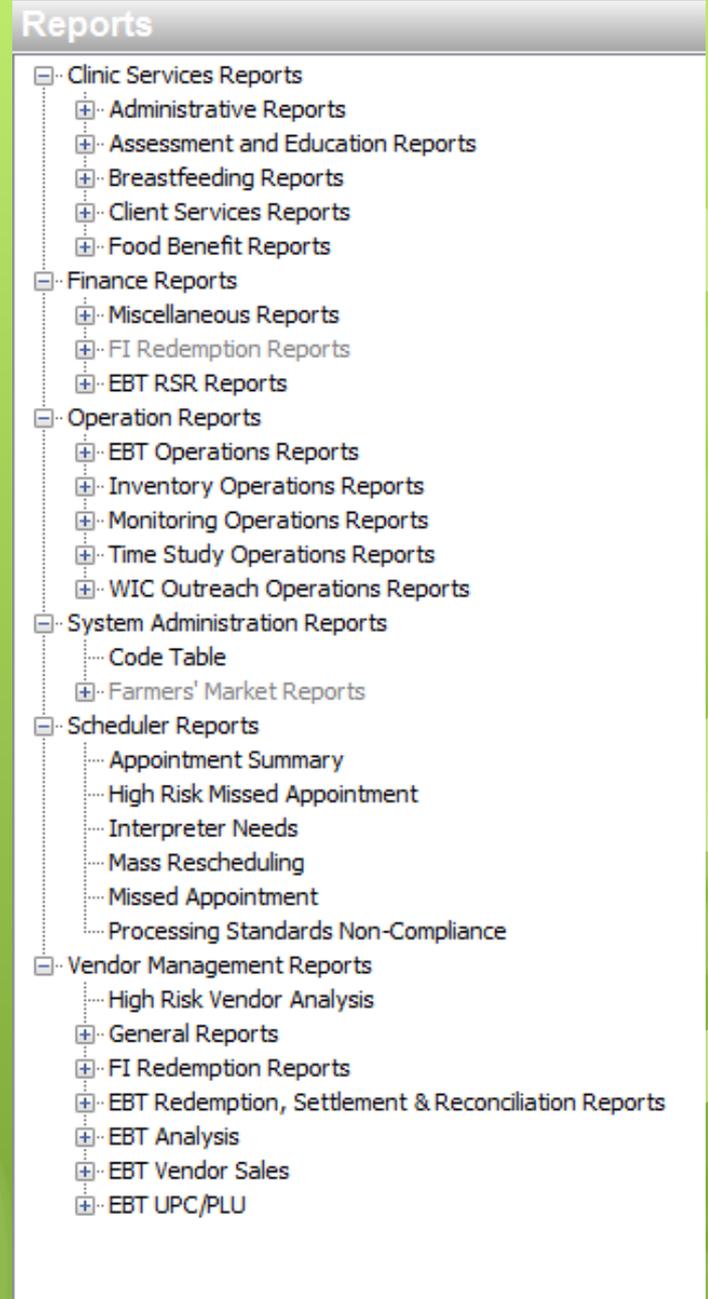

- Click on “Reports” and this menu appears:

Choose your category, choose your report

- Any of the categories can be “opened” to see the selection of available reports
