Bubble Chase

What you need: Bubble solution; wand for each player

How to: Make up some bubble solution several hours ahead of time. Let your child blow bubbles and have fun chasing, popping or stomping them!

This works best outside in the shade, or on a cool, cloudy day!

Homemade Bubble Recipe

$\frac{2}{3}$ cup concentrated dish washing liquid
4 cups water
Optional: 1 Tablespoon glycerin, which you can buy at any drug store.

- Pour the water into a large container like a plastic dishpan or a clean empty milk jug.
- Add the dish washing liquid and gently stir.
- Add the glycerin and gently stir.
- Let the bubble mixture sit for several hours before using.

The longer it sits, the better the bubbles.
- Cover and store any leftover bubbles for another day. Leftover plastic yogurt or margarine containers with lids work great for storing bubbles.

Tips:
1. Some dish washing liquid brands may work better than others. Experiment to learn what works best for you.
2. Distilled water may help make the bubbles better.
3. Glycerin isn't expensive and it really makes bubbles stronger and longer lasting.
4. Let the bubble wand sit in the bubble mix for a few seconds and try not to stir — stirring makes suds and foam, which are bubble busters!
