

All Mixed Up!

Farm to Family 2012

These fruits and veggies are the wrong color! Can you find them at the farmer's market to see the right colors? Draw a line between each food and its correct color, then circle the foods you like to eat!

apple

corn

broccoli

carrots

blueberries

eggplant

Parents: Bring your child's completed game sheet to your local WIC office after the last scheduled coupon distribution date. If any Farm to Family coupons are left, you may be eligible to receive another booklet. Call ahead!
