BOARD OF MEDICAL PRACTICE**

In re: Michael E. Scovner, M.D.)
) Docket No. MPN 50-0510
)

ORDER

Respondent's petition for relief from the practice monitor requirement of his November 4, 2015 Stipulation and Consent Order is hereby GRANTED. Respondent has complied with and satisfied all the terms and conditions of the practice monitor requirement. Therefore, this Order is issued and entered by the Board of Medical Practice to remove the practice monitor requirement imposed by the Stipulation and Consent Order in Docket No. MPN 50-0510. All conditions imposed by the November 4, 2015 Stipulation and Consent Order have been satisfied; no conditions on Respondent's license remain.
