D. Philibert moved to accept the minutes of the March 6, 2024, meeting. S. Tucker seconded the motion. The motion passed; opposed: none; recused: none; abstained: none.

- **Board Issues (Dr. Hildebrant):**

- Dr. Hildebrant noted that Dr. Christine Payne's term as a member will be coming to an end, summarized some of Dr. Payne's accomplishments, and expressed thanks for the many years of service. D. Herlihy also offered thanks and shared that Dr. Payne will continue to serve until a replacement is appointed.

- **Administrative Updates (David Herlihy):**
  - **Still struggling to hire for the new position. Difficult hiring environment** – The Vermont Department of Labor reports a 2.3% unemployment rate. Despite advertising for two weeks very few candidates applied, two were offered interviews, and neither showed for an interview. We will continue to recruit for the position.
  - **IT system project.** Several bidders submitted proposals which are now under review. The goal is for there to be a selection by the end of April and a contract by September.
  - **Expense and per diem reimbursements-** members were asked to submit reimbursement requests regularly on a quarterly basis. This is especially important at the end of the State fiscal year (June 30).
  - **Licensing Committee** – Thanks were offered to Dr. Matt Greenberg for joining the Licensing Committee. Public members were asked to consider serving. Gail Falk is the only public member on Licensing and a public member must be present for the Committee to meet. Please consider signing up.
- **Other Business:**
  - **Printed Certificates for License Renewals** – Staff presented members with an overview of the current practice for providing licensees with copies of renewal certificates and license certificate reprints. Staff also shared information about an option to modify the current IT system to provide licensees the ability to print copies of certificates from their online accounts, which would eliminate the need for licensees to submit payment for license reprints and wait for the certificate to be mailed using the USPS. The necessary modifications to the IT system would cost approximately \$10,000, but the cost would be offset by the savings made from discontinuing the practice of mailing printed copies of renewal documents. Members were asked to share their views. Members were supportive of changing to electronic delivery and eliminating the mailing of hard copies, but several stressed the importance of effectively communicating the change to licensees. Members were advised that unless the Board objects to the plan, staff would pursue the change to electronic delivery of renewal certificates, which will eliminate the need for licensees to request and pay for reprints. Also, updated

certificates will not be mailed in hard copy at the time of renewal, but instead made available electronically. No members indicated opposition to the plan.

- **Convene hearing to discuss any stipulations or disciplinary matters that are before the Board (12:44 PM):**

**In re: Mark Logan, MD – Request for Relief – Matter MPN 035-0323**

Judge Belcher inquired if the Respondent or counsel would attend; AAG Kuehl stated that they had indicated they would not. Judge Belcher invited AAG Kuehl to present the matter. AAG Kuehl addressed the Board, summarizing the facts leading up to the Request for Relief. Dr. Greenberg made a motion to deny the Request for Relief. Dr. Liebow seconded the motion.

J. Malago recorded the roll-call vote: The motion passed; Yeas: R. Ciappenelli, Dr. Coddair, G. Falk, Dr. Greenberg, Dr. Payne, Dr. Hildebrant, PA Jones, Dr. Liebow, S. Lorentz, Dr. Tortolani; Opposed: none; Abstained: S. Tucker; Recused: North Investigative Committee

**In re: Christopher Manfred, MD – Cessation of Practice Agreement – Matter MPS 049-0324**

AAG Campbell addressed the Board, summarizing the facts leading up to the Cessation of Practice Agreement. D. Philibert made a motion to approve the Cessation of Practice Agreement. R. - **Hearings Concluded at 1:15 PM**
- **Convene meeting; Other Business (Continued):**

- **Legislative updates (H.572, S.233, S.263, H.655, H.870)** – D. Herlihy updated the Board on the status of H.572 (Physician Assistant Compact), S.233 (Optometry Scope of Practice), S.263 (Novel Licensing Approaches for International Medical Graduates Study Committee) and provided information about two bills not previously discussed, H.655 and H.870. It was explained that H.655 is a bill about sealing criminal history records that might impact the Board’s ability to obtain history about convictions of applicants who have a criminal history. H.870 was brought up because it is the OPR bill. Although there were no issues of concern for the Board in the version of the bill passed by the House, information was received that indicates there may be discussion of expanding the role of naturopaths to include completion of death certificates and working with patients on advance directives, COLST/DNR orders, and the patient choice at end-of-life process. Members shared opinions on those issues.
- **Update on Joint Statement on IV Clinics** – The Board previously approved the joint statement regarding IV clinics, presented at the March meeting. D. Herlihy shared that several other Vermont Boards met following that meeting and the Nursing Board approved the statement, but with changes. The Nursing Board was scheduled to meet next on April 8<sup>th</sup>, however, due to the Solar Eclipse, their meeting was canceled. The Nursing Board likely won’t have a decision on the matter until their May meeting. Once OPR has approved a single version, it will be presented to the Board of Medical Practice again for approval.
- **Executive Session to Discuss:**
  - Investigative cases recommended for closure
  - Other matters that are confidential by law, if any

D. Philibert made a motion at 2:02 PM to enter Executive Session to discuss confidential matters related to investigations. Dr. King seconded the motion. The motion passed; opposed: none; recused: none; abstained: none.
